

Non-Profit DIRECTOR

The Director is the organizational leader for the new food center and will also have a primary role in development for the ministry. As an agent for the community, this person will manage all food center operations, including paid staff and volunteers, and will report to the board of directors. In this part-time position schedule and hours will be negotiable. The successful candidate will be a proven leader with at least a Bachelor's degree in a related field, and experience in the non-profit sector.

Streams of Hope is a young but growing community agency in Southern Kent County with a five-year track record of developmental programs. Additional details can be found at www.StreamsofHope.org. Applications can be sent directly to Info@StreamsofHope.org.
